

# KNOW YOUR FARMER, KNOW YOUR CHERRY TOMATOES

## Seabreeze Farms Klamath, CA

### THE GUYS BEHIND THE FARM:

Seabreeze Farms was started 7 years ago by David, Kenny and JJ.

**FARM SIZE:** They have over 4,000 square feet of greenhouse sitting on 10 acres overlooking the mouth of the Klamath River and the Pacific Ocean.

**WHAT THEY GROW:** 14 varieties of cherry tomatoes, basil, strawberries, English cucumbers, super sugar snap peas and large 1 gallon tomato starts for home gardens.

**HARVEST TIMING:** As early as March through December.

**WHERE YOU CAN FIND THEIR PRODUCE:** At Del Norte County Schools, Vita Cucina, Wild Rivers Market, CC Hay & Feed and farmers markets in Crescent City and Oregon.

**WHAT THEY LOVE ABOUT FARMING:** These farmers love seeing their crops go from seed to harvest. They also love being part of bringing fresh locally grown produce to our schools and homes.
